THE PARTY More than 400 fierce and fabulous Houstonians partied like animals at the 14th annual PetSet Soiree at The Post Oak Hotel, where co-chairs **Tena Lundquist Faust, Tama Lundquist** and **Princess Tatiana Sierra** honored **Susan and Dan Boggio**, and helped raise money for our furry friends. **THE SCENE** Revelers enjoyed tuna tartar and samosas during cocktail hour as the bidding began on the silent auction items. While guests dined on a tangled field greens salad, glazed short ribs and vanilla creme brulee, an exciting live auction took place, for which a Rolex donated by Deutsch & Deutsch was the star prize. **THE HIGHLIGHTS** The party kept going until 2AM, thanks to the Club PetSet Young Professionals group, who mingled and danced to a playlist by DJ Senega. The gala raised a record \$500,000 to aid animal care in the coming year. Now, that's something we can wag our tails about.
